

Md Ambar Shafi

shafiambar3@gmail.com | (+91) 7309903397

Career objective

"Enthusiastic software engineering graduate with strong programming skills and a passion for problem-solving, seeking to leverage technical expertise and grow professionally in a dynamic development role."

EDUCATIONIONAL QUALIFICATION

- ❖ **B. Tech in Computer Science and Engineering** | CGPA:-8.1 (as of last completed semester) | Expected Graduation: 2025
- ❖ **XII (CBSE)** | Delhi Public School Lagma Sitamarhi
69.6% | 2020

TRAINING & INTERNSHIP

- ❖ **IBM Machine Learning with Python**
Duration:- 22nd August to 22nd September 2024

SKILLS

- ❖ **Programming Languages:** C++, HTML, CSS, JavaScript, Python
- ❖ **Web Development:** Bootstrap, Node.js, Express, SQL, MongoDB, REST, React.js
- ❖ **Tools and Platforms:** GitHub

ACADEMIC PROJECTS

- ❖ **Chat App**

Built a scalable, real-time chat app using Node.js, React.js, and ChatEngine.io, offering features like group chats, 1-on-1 messaging, file/image sharing, read receipts, and seamless real-time communication. The app ensures smooth, dynamic interactions and an engaging user experience, all while being highly scalable and easy to manage.

❖ REST API Basic Project

Created a simple RESTful API using Node.js and Express.js. Implemented basic CRUD operations, demonstrating understanding of REST principles and API development.

Personal details:

Father's name : - Md Shafiullah
